WDBS DARTMOUTH BROADCASTING SYSTEM
49 ROBINSON HALL · HANOVER · NEW HAMPSHIRE · TELEPHONE 30

December 4, 1950

Mr. Howard Eaton
Program Director
Station WYBC
New Haven, Conn.

Dear Howie,

After a long pause, here is a much overdue note that has a couple of purposes. First of all,may I say that the sports interview went over very well indeed, and I saw to it that the engineering department mailed the tape you sent back right after the show. We are now about to get our new tape machine at long last ( an Ampex) and should have no trouble at all with any type of recorded exchange shows.

Secondly, I remember you mentioning that there was a possibility of getting some of the Monsanto Chemical Companies shows "Songs of New England Colleges" for re-broadcast on our stations. Has that deal ever come through? I was reminded of it since arrangements are in the process of being made for the Dartmouth broadcast after the first of the year. If we could get it, the program will go well before the "Opera Hour" on Sunday afternoon.

And finally, one other thought. We have always given out member cards to new staff members at the time of the air"Christmas Party," the Friday before vacation. Since it will be necessary to print some new ones, we thought that they could serve a more useful function if they had the notation "press" on them as do your station's cards. I'd appreciate it very much if you could send me up one of WYBC's membership cards so we could get some idea's from it to embody in our own new card.

Business out of the way, in the personal department I hope you had a slightly better vacation than I. After finding myself in that Long Island wreck (thank gads I was in the third car instead of the first) and nearly having the house blow away, I found quite a void in the activities. So much so that I'm led to suspect that Tebbens was out of town. Anyway, Xmas provides another chance so let's both make use of it. Best reguards.

Sincerely,

Bill

Bill Terry
Production Director
